More than a sport, a community!

Foreword

For example, what can you find in this booklet:

In this booklet we want to briefly mention the most important points. For each team, information is provided about the training times, trainer(s) and the contact person from TC/TCJ (technical (youth) committee) for the team in question.

Furthermore, some more explanation will be given about the various activities that will take place during the season. And there is more information about our committees. Does a committee speak to you and do you think.... I can do something about this!, please let us know.

What you will also see are our sponsors. These are of great importance to our association and should of course not be missed. Take a look at our sponsors (in the back of the booklet) and pay them a visit if they offer just what you might be looking for or need! If you know of any possible new sponsors, please let our sponsor committee (sponsoring@kvdkb.nl) know.

I hope that together we will make it a beautiful, fun and sporty season. A season in which we:

- Hopefully many champions can be honored.
- Being able to experience fun and enjoyable activities together.
- Many new members hope to welcome.
- Helping each other within the association with the necessary things to keep the association growing and flourishing.
- Hopefully we can greet even more volunteers.
- Being able to enjoy the beautiful (Beach) korfbal that we have to offer.

We wish everyone a beautiful and sporty season!

Greetings the board consisting of:

Anouk, Claire, Nick, Maurice, Ferry and Adriaan

The season

Start competition

- On August 25, all teams will start training again.
- The first games of the field season start on Saturday, September 5
- The indoor season starts at the beginning of November
- The second field season starts in April

End of competition

- The last competition weekend is on June 5. After this we will continue training for a few weeks and organize a number of fun activities such as the youth camp!

Holidays

- No rooms have been rented during the Christmas holidays. (22/12/2026 until 01/01/2027)
- There are no rooms rented during carnival (Friday and Tuesday).
- Last field training Tuesday, June 29, 2027

Field training times

Team	Tuesday	Friday
DKB1	20.00-21:00	20:00-21:30
Midweek	20:00-21:00	
J1	19:00-20:00	19:00-20:00
J2	19:00-20:00	19:00-20:00
J3	18:30-19:30	18:30-19:30
J4 to J6	18:00-19:00	18:00-19:00
RecreStars		19.30-20.30
OldStars	16:00-17:00	
G	19:00-20:00	

The training times in the hall will be found on www.kvdkb.nl in due course.

It is possible that trainers deviate from the above dates. The trainer will then communicate this with the team.

Unsubscribe

Preferably not, of course. This year's holidays are listed below. If you really can't make it, you must sign off with the trainer (at least 3 days before the training or match, unless sick).

8 pairs tournament / parent-child tournament on 2nd day of Pentecost

On 2nd Pentecost Monday, the 8-players tournament is traditionally organized (teams of 8 people with a maximum of 4 korfbal players per team) and a parent-child tournament. Everyone can/may participate (also from outside the association)! Make a note of these in your agenda. Further information will follow in due course.

End of season

Traditionally, the pair shooting tournament takes place at the end of the season. Everyone can/may participate here too!

Short explanation of torque shooting for those who don't know it:

Couple shooting is done with two people, this may be 2 ladies, 2 gentlemen or gentleman and lady (parent and child is of course also allowed). There will be 2 baskets opposite each other at a certain distance. There is a couple on each side. The other couple then takes turns shooting at the basket. If the opponent misses, a shot may be taken from where the ball lands, provided it has not bounced more than 1x. The winner is the one who has scored the most goals after a certain time. Several matches are played.

The champions will also be honored on this day and the volunteers of the year will be honored. To conclude, the DKB BBQ will take place. Everyone will receive an invitation for this in due course, in which volunteers, members of the club of 50 can participate at a greatly reduced rate.

Teams

The team classification is announced by the TC for the seniors and by the TCj for the youth. The trainer is the first point of contact for players and parents. In addition, the TCj has a point of contact for questions for each age category.

	Trainers	Contact press. TC(j)
DKB 1	Peter van Montfoort & Renske Relou	Nick van der Kallen & Lianne Dullaart
DKB Midweek		Nick van der Kallen & Lianne Dullaart
J1	Niels, Lieke	Tim Sponselee
J2	Jelle, Lara, Jochem	Evelien Steenmetz
J3	Tim, Bjornassistant trainer: Johan Rijndorp	Annemiek de Bont
J4	Tomassistant trainers:Maikel, Geert, Linda	Annemiek de Bont
J5	Renske, Naomi, Elin, Teun	Marco van Pijkeren

J6	Renske, Nonah, Lotte,	Moniek Raaijmakers
Oldstars	Marlies	Adriaan Heijkants & Wilma Franssen

Schedule and agenda

In the KNKV app (always up to date) and on our website (direct link to KNKV) you will find the matches (and results). In the agenda on our website you will find information about the activities that are organized or important dates.

The schedule is on www.kvdkb.nl

You can consult the agenda on www.kvdkb.nl/agenda

KNKV app

Download the KNKV app for the matches, times and results.

To use the app, you need to register. This can be done in two ways:

As a Spectator: Use an email address that is not associated with a player. This is ideal for parents or fans who only want to follow the matches.

Link to player data: Do you want to link yourself or your child to the personal data in the app? Then use the e-mail address that was provided as a contact e-mail with your or her personal data when registering. In this way, all data is automatically and securely synchronized.

Download the app below for:

League 2.0

From the 2025/2026 season, the KNKV has introduced League 2.0. This new set-up is intended to better match the fun of playing and the development of players to age, level and experience, so that every child can enjoy playing korfball.

This means that from this season there will be a completely new team layout. The KNKV has stopped with the well-known age categories A, B, C, D, E and F. Instead, there is now a clear split:

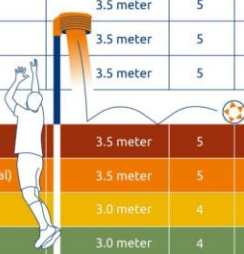

- **A-category:** These are the highest classes (formerly competition korfball). These teams are divided into U19, U17 and U15.
- **B-category:** these are the other teams (formerly broad korfball). They are divided into a color category based on the average age of the team. Each color has its own rules for, for example, basket height, ball size, playing time and substitutions.

Our youth teams season 2026/2027

All our youth teams will play in the B-category this season. This means that they play in one of the color categories:

- **J1: Red**
- **J2: Red**
- **J3: Yellow**
- **J4: Yellow**
- **J5: Green**
- **J6: Green**

In the diagram below you can see exactly which rules apply per category, such as the basket height, the ball and the playing time. In this way, the game is accessible and educational for the youngest children, and they build up step by step to the 'big' korfball.

Categorie	Vorm en leeftijd	Korfhoogte	Bal	Wisselen	Speeltijd zaal	Speeltijd veld
A	U19 (18 jaar)	3.5 meter	5	Na 2 doelpunten	Met schotklok 2 x 25 min Zonder schotklok 2 x 30 min	2 x 30 min
A	U17 (16 jaar)	3.5 meter	5	Na 2 doelpunten	Met schotklok 2 x 25 min Zonder schotklok 2 x 25 min	2 x 30 min
A	U15 (14 jaar)	3.5 meter	5	Na 2 doelpunten	2 x 25 min	
						
B	Rood (4- en 8-tal)	3.5 meter	5	Na 2 doelpunten	2 x 30 min	
B	Oranje (4- en 8-tal)	3.5 meter	5	Op tijd	2 x 25 min	
B	Geel (4- en 8-tal)	3.0 meter	4	Op tijd	2 x 25 min	
B	Groen (4-tal)	3.0 meter	4		4 x 10 min	
B	Blauw (4-tal)	2.5 meter	3		4 x 10 min	

Our accommodation

Jacob van Wassenaerstraat 65, 5684 CR in Best

Outdoor competition

DKB has its own accommodation with canteen: 'De Uitwijk'. This is where training and home games are played during the field season. There is also a beautiful beach field, which we can use for an activity, open training or adapted training.

Indoor competition

During the indoor competition, training and playing takes place in the hall. Training takes place in different places. This can be in sports hall Naestenbest, in the gymnasiums of Heerbeek College or one of the other gymnasiums in Best. Where and when training will be announced as soon as the training times are known. Matches are played in sports hall Naestenbest.

Away games

At away games, we play on the field or in the hall of our opponents.

Beach field

In addition, we also have a fantastic beach field that can be used as an addition or variation to the training. This field can be used/rented by anyone in the Best of the area. This includes individuals as well as schools, associations and companies. If you are interested or know someone who wants to use this, send an email to beachveldbest@gmail.com.

Our association

An association, and so does DKB, runs entirely on volunteers. If you also want to help DKB even if it is only with a small task, we will find something suitable. Let us know via voorzitter@kvdkb.nl. Examples of the committees in which the volunteers are active.

Membership administration

You can register and deregister at the membership administration. You can register online but also via a registration form. You can only unsubscribe by email: ledenadministratie@kvdkb.nl. You can only unsubscribe once a year. If you report your deregistration no later than 1 May, you will be deregistered as of 1 July. If you cancel too late, you will owe the contribution for the coming season. You can also change an address or bank account number via email.

Confidential (contact) person

A confidential contact person initially offers a listening ear in matters that are not easy to talk about. This mainly concerns (sexual) intimidation, bullying and/or violence, but there may also be other matters that you would like to discuss with someone who is independent and who is outside the situation. A confidential contact person listens, gives advice, mediates and knows the possibilities of getting help or making an official report.

Are you in a situation where you could use a confidential contact person? Are you worried about something or someone in the association and do you want to discuss this with someone? At DKB, Wilma Franssen is our confidant. Do you want to say something or talk to her? Mail vertrouwenspersoon@kvdkb.nl or app or call her: 06-28688672.

Technical Committee (TC)

The Technical Committee (TC) is responsible for all administrative actions concerning the senior teams towards and from the KNKV. Within DKB, the TC also focuses on the optimal functioning of the senior teams. The TC is the point of contact for the technical staff and players, before, during and after the season.

Technical Committee Youth (TCJ)

The Technical Committee Youth (TCJ) is responsible for everything related to the youth teams. The TCJ deals with team division, training, trainers and matches and is the point of contact for players, parents and trainers.

DAKje

The DAKje is a committee that takes care of activities at DKB. Sometimes korfbal-related activities such as couple shooting and the 8 tournament. But parties or bingos are also organized. Something fun is thought of for all ages!

Camp committee

Every year at the end of the korfbal season is the highlight. The DKB youth camp! From the autumn onwards, the camp committee will be busy arranging everything, for a fun weekend for young and old. Meetings, on location visits and a craft evening. The committee arranges the location, the weekend program with the accompanying games and much more.

Arbitration Committee

The Arbitration Committee is responsible for scheduling, training and supervising our referees. Each match is played under the guidance of a referee. The arbitration committee ensures that this is managed properly.

Bar committee

The bar committee arranges the purchasing and takes care of the bar occupancy in our clubhouse. During match days and during various activities, they provide a warm welcome and that players, parents or other visitors can have a drink and a snack.

Membership recruitment committee

Organizing korfbal events for (new) members, making flyers, arranging trainers/supervisors for these activities.

Sponsor committee

The sponsor committee is responsible for recruiting new sponsors and maintaining current relationships/contracts. Sufficient sponsors provide an important source of income. The work of the sponsor committee is therefore becoming increasingly important!

Working group G-korfbal

At DKB we are proud of our G-team. This is a team suitable for members with a disability or support need. It is a group of fanatical players who train weekly on Tuesday evenings. About once a month we play a tournament against several other associations.

Competition secretariat

The competition secretariat is the first contact to the KNKV and to other associations when it comes to competition matters. Together with TC and TCj, the competition secretariat ensures that all matters related to the competition are arranged: planning matches at the beginning of seasons, rescheduling matches, registering teams and players with the KNKV.

Clothing committee

Collection and distribution of match shirts. Distribution of ordered clothing to members. Suggest new items and contact with supplier

Call!

If you want to join one of the committees mentioned, such as member recruitment, clothing, the DAKje, administrative tasks, sponsorship or if you want to help as an (assistant) trainer, please let us know via voorzitter@kvdkb.nl. We can always use help!

Helping out

Under the motto "playing along is helping", all teams are asked to help with the bar service, cleaning the canteen, driving to away games and keeping ushers during the indoor matches. Below is an indication of what this means. This requires a little effort and ensures that not everything comes down to a handful of volunteers.

Bar service

Each team is asked a number of times each field season to help with the bar service. You will receive the planning for this via the team's group app and can be found on www.kvdkb.nl. With all parents together you divide the match day so that there is always someone present to support the bar volunteer. The bar volunteer can help you on your way, if you are new to helping out behind the bar.

Transport to away games

A driving schedule is made for each season. All parents are assigned. When you have to ride as a parent is in the race schedule. Can't drive on a scheduled day? Then you have to take care of the exchange with another parent yourself.

Cleaning the canteen

Cleaning the canteen is done every month by a team. You will receive the planning for this via the team's group app and can be found on www.kvdkb.nl. Each team has a turn every year. Someone from the board will always be present. He or she will indicate which parts of the canteen need to be cleaned.

Usher

During indoor competitions, a parent is appointed as an usher for the youth. The usher is expected to be present fifteen minutes before the match. There is a table and service from the scoreboard. If you can't figure this out, the trainer or manager of the sports hall can help you with this. Because we have to deal with time slots in the hall, it is the task of the usher to ensure that matches run as planned as much as possible. In the special case that there is not enough time to complete a match, the usher must consult with the referee regarding the shortening of the match.

Job day

1x a year (usually somewhere in April, just before/after the start of the outdoor season) the handyman day takes place. Then the green maintenance is carried out, things are repaired and cleaned so that we are ready for the outdoor period. Again, many hands make light work and make us finish faster.

(Competition) clothing and footwear

At DKB we play in black with yellow match clothing. Players wear a black/yellow striped shirt with black shorts/skirt. In addition, shoes adapted to the field or indoor season. On the field, korfbal shoes with studs for grip are played with (note: no football shoes). In the hall we play on shoes without studs, suitable for the hall.

The match shirt that our players play in is loaned to the players by the club. When a player will start matches, a shirt can be arranged through the clothing committee. The committee members are Esther Branderhorst and Johan Rijndorp (kleding@kvdkb.nl).

The skirt/pants and shoes with socks must be purchased yourself. This can be done via our club shop.

The club shop can be found via our website www.kvdkb.nl/clubshop. There is an explanation of the process and also the link to the webshop itself.

BRABANT SPORTS
Boxtel

Exchange box

There is an exchange box in the hall. In this closet you can leave clothes and shoes that have become too small for your child, so that you can make someone else happy with them.

Feel free to bring something if you can use it. We do ask that, where possible, something is also put back. In this way, together we keep the offer beautiful and varied.

Of course, you can also just leave something behind. Every contribution is welcome!

Together we ensure that beautiful things get a second life.

BSO in clubhouse

There is an after-school care active in the clubhouse. This means that the club building can only be entered after 18.30 because the shelter is active until then. The changing rooms, showers, toilets, taps, etc. can be reached directly via the side entrance.

Other

Diabetes fund (clothing container)

Do you have old clothes, shoes and/or household textiles left over? Give it a second life and deposit it in sealed bags in the container (immediately to the left after passing through the gate) at DKB. This action is for the Diabetes Fund. Help them fight diabetes! See www.stichting-kovamo.nl

Jantje Beton (collection)

DKB is also committed to Jantje Beton. More than 400,000 children in the Netherlands never play outside. We are in danger of losing a generation to sitting indoors. Too little exercise causes physical problems. No direct contact with other children means that they do not learn social skills. Being alone makes them depressed and anxious. There are too few places where children can play safely outside and that has to change!

DKB will also ask the youth members to participate in the collection in that week, usually during a training evening, but you can also collect all week if you like to do so. With this you support the charity, but DKB is also supported with part of the proceeds. Usually the collection is in March. More info: www.jantjebeton.nl/

Big Club Action

Every year, DKB also participates in the big club action. As a lottery ticket seller, you have a chance to win great prizes and also contribute to the club coffers. The promotion starts in mid-September and you can sell lottery tickets for about 6 weeks. The draw will take place in November. There is also a nice extra for every member who sells lottery tickets. So ask other members, family, friends and/or colleagues to buy a lottery ticket. The children are informed through the teams. More information: www.clubactie.nl/

Reserve number

Do you want to give DKB a helping hand or do you just want to participate in an interactive game? Then also participate in the reserve number? Sign up, choose one or more songs and play along right away.

How does it work:

- You donate 30 euros (per chosen number) to DKB once a year.
- To do this, choose a reserve number that is still available via the registration form (see below) (a total of 45 numbers are included).
- An official lotto draw (www.lotto.nl) takes place weekly, drawing 6 numbers + a reserve number. In our case, this reserve number is the winning number (in case of multiple draws in one day, we assume the 1st draw).
- If your chosen reserve number matches the reserve number of the lotto draw that week, you will receive 12.50 of that donation back.
- Any donation that may be recovered will be paid out periodically to the relevant winners.

More information can be found here: www.kvdkb.nl/reservegetal/

You can find the registration form [here](#):

Or scan the QR code:

Club of 50

You can also become a member of the Club of 50 of DKB. With this you support our beautiful association by means of an annual contribution of € 50. In addition to this financial support, you also show your commitment to DKB. We would like to thank you in advance for this!

Membership includes a mention on our 'Club of 50 board' in the clubhouse. Everyone else involved in DKB will see that you have a warm heart for our association. A full evening activity will also be organized for you and the other members of the Club of 50. Further information about this will follow later.

Membership of the Club of 50 is the same as an association year, namely from July to June and will be done by direct debit.

Cancellation for the Club of 50 must take place before May 1 before the start of the new association year, so that the direct debit can be stopped in time.

More information can be found here: www.kvdkb.nl/club-van-50/

Do you want to become a member of the Club of 50? Then fill [in the registration form](#) here.

Or scan the QR code:

DKB Whatsapp community

Whatsapp has a 'community' option. When your (child) is assigned to a team, you/he/she will be added to a whatsapp group of the team. This team whatsapp group belongs to the community in which the entire association comes together and important messages are shared centrally.

Social media

DKB can also be found on the socials. News and activities are regularly posted on this. You can find us at:

www.facebook.com/KorfbalverenigingDKB

www.instagram.com/kv_dkb/

We are also active in business to keep in touch with sponsors and relations:

www.linkedin.com/company/korfbalvereniging-dkb

Tips

Do you have an idea or improvement for our association and/or clubhouse? Fill in the form below and hand it in to one of the board members. Perhaps your idea will be implemented!! When implemented, you will take the lead yourself and bring your idea to a great result!

Name:	
Phone number:	
Email:	
What is your idea?	
What is needed for this?	
What will your idea mean for the club?	
Any comments:	

We thank our sponsors, because we cannot exist without their help
